EXPERIENCE

Damilah (September 2022 - present)
full-time job

BtoBet (May 2021 – August 2022)
full-time job

Working on a sportsbook project that consists of multiple microservices and is integrated with Backoffice. My main focus is for everything to be configured, integrated, and developed on time until the new client is migrated to production. Sports games take big focus with frequently new releases, a continuous deployment that includes many bugs fixing also reported by technical support and integrating Esports odds feed provider.

MY SKILLS

HTML 5 CSS 3 Javascript

C# Sass React JS

ASP.NET Microsoft SQL Adobe

HOBBIES

Reading Building Setup Snowboarding Music
